

Stop the Bleed - Hemorrhage control for pilots and aircrew

Learn how to stop the bleed. Are you prepared to help stop serious bleeding after an off airport landing, an accident around the hangar, or while on a hunting trip? Learn how to Stop the Bleed and walk away knowledge to help you and your passenger survive an accident. The course will be 1.5 hours in length.

Directions: Held at the T-Craft Aero Club Hangar, Nampa Municipal Airport

A message from the National FAASafety Team Manager
